**Auditorium** \$300 per 24 hour use. \$500 refundable damage deposit due upon booking.

**\*\*Inspection to be performed before and after each use\*\*** Individuals from the community who are renting the auditorium will be allowed no more than two scheduled rehearsals/practices per event at no extra cost. School sponsored scheduled events take precedence over rehearsals/practices.

**Additional Fees:** Any and all facility usage **requires the presence of a school custodian\*** to be paid by the group at a rate per hour as determined in the current collective bargaining agreement of said employee(s) at the time of the event (2 hour minimum). All usage is subject to the availability of a custodian and failure to pay will result in denial of future facility use requests. The school board feels that this demand is necessary to ensure the safety and security of the facility and to ensure that the building is clean and ready for school use.

**Use of the kitchen requires the presence of a district cafeteria worker** at a rate per hour as determined in the current collective bargaining agreement of said employee(s) to be paid by the club or group at the time of the event. There is a two hour minimum and use is subject to the availability of cafeteria workers.

\*Certified/Licensed school personnel, office personnel and custodial personnel may take responsibility for the facility in lieu of a paid custodian. They must be present at all times and they will be held responsible for ensuring that the building is cleaned and properly locked up at the conclusion of the event. The supervising employee must be listed as the responsible party on the Athletic Directors schedule prior to the event.
